Resurfacing, Sidewalk Repairs on Cicero Avenue between 175th Street and Steger Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Cicero Avenue between 175th Street and Steger Road, in Richton Park, Matteson and Country Club Hills, beginning, weather permitting, Wednesday, July 19. The closures are necessary for a resurfacing and pedestrian improvement project along Cicero Avenue.

In order to complete the work, daytime lane closures will take place on Cicero Avenue between 175th Street and Steger Road.

The scope of the project consists of resurfacing, pavement patching, and curb and gutter replacement. The project will improve pedestrian safety by making repairs to the sidewalk and adding pedestrian traffic signals.

The overall project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
